EXPERIENCE

✓ Freelance Designer

3 Years - Worldwide

As Freelance Designer I've worked in many projects for different agencies and clients around the American Continent. Mainly working in Branding, Graphic Design, Web Design and Development.

✓ UI/UX Designer at Gatha

From January 2016 to present - Miami, FL

Responsible of the App UI/UX Design and Website Design and Development. At Gatha I've been working at the following Design Stages: Information Architecture, Wireframing, Design and Prototyping. I am also participating on Product Design.

✓ WEB Designer at Parexton

8 Months - From April to December 2015 - Miami, FL

Responsible of SEO Friendly Web Development. During my work at Parexton I used HTML5, CSS3 (Stylus), JQuery, Bootstrap and also worked on the basics of SEO (HTML Tags and Monitoring projects on Google Search Console).

✓ Brand Designer at German Bedoya

8 Months - From April to December 2015 - Medellín, Colombia

Used Brand Guidelines to create Graphic Pieces for Printing and Social Media. Designed and Developed Brand Website.
